Software Developer, Frontend

Software Development | Problem Solving | Communication

Reliable, detail-oriented, and collaborative individual with experience in Software Development and UX Design. Proven ability to deliver efficient, reusable, and readable code. Skilled at solving complex problems, fixing bugs, and communicating technical information.

EDUCATION

Bachelor of Computer Science – 2016 - 2020 – Carleton University, Ottawa, ON

PROFESSIONAL EXPERIENCE

Carleton University, ITS Voice Services – Ottawa, ON

April 2019 – June 2020

Project Coordinator

Responsible for updating the ITS Voice Services website, coordinating university-wide IT projects, and providing technical support for clients.

- Redesigned, updated, and maintained six webpages on the Carleton Voice Services website.
- Created numerous SQL Queries to gather and analyze product data from Carleton's telephone database.
- Identified, diagnosed, and solved IT issues for several clients per week.
- Led the Analog to VoIP migration project, where our team migrated 1000+ analog phone lines to new servers.

Hudson's Bay Co. - Ottawa, ON

July 2017 - April 2018

Sales Associate, Men's Shoes

Responsible for providing excellent customer service and meeting sales goals.

- Improved our department's sales during the holiday season by sharing knowledge and best practices with colleagues.
- Continually exceeded daily sales target of \$1000.
- Acted as the primary point of contact for customer inquiries and complaint escalations.

PROJECTS

Portfolio Website

- Created a website (www.moscode.ca) using JavaScript, HTML, and CSS to display my projects and technical skills.
- Incorporated UI/UX Design principles and responsive web design.
- Utilized the Particles.js library for background effects.

PROFESSIONAL SKILLS

- Proficient in JavaScript, TypeScript, React, HTML5, CSS3, and SQL.
- Knowledge of UI and UX design principles.
- Knowledge of Agile methodologies.
- Excellent interpersonal, verbal, and written communication skills.
- Able to work independently and in a team environment.
- Solid business and technical acumen.
